Area Vineyards, Wineries

Continued from Page 1
The Indiana Uplands is a federally recognized grape-growing region known as an American Viticultural Area, or AVA. Napa Valley in California is also an AVA. The 23rd annual Indy International Wine Competition was held July 30 through August 1. Nearly 3,000 entries from 15 countries and 40 U.S. states were evaluated. The Indiana Upland Wineries re-

ceived five double gold medals, 15 gold, 49 silver and 24 bronze. Jim Pfeiffer, owner of Turtle Run Winery in Corydon and president of Indiana Uplands, said, "This speaks of the quality of wines that we're producing collectively on the Indiana Uplands Wine Trail." The Indiana Uplands is comprised of Best Vineyards in Elizabeth, Butler Winery in Bloom-

ington, Brown County Winery in Nashville, French Lick Winery in West Baden Springs, Huber's Orchard, Winery and Vineyards in Starlight, Oliver Winery in Bloomington, Owen Valley Winery south of Spencer, Turtle Run Winery in Corydon, and Winzerwald Winery in Bristol For more information about the Indiana Uplands Wine Trail, visit www.indianauplands.com.

War Memorial Repair Effort Receives Financial Boost From VFW Auxiliaries

An ongoing effort to repair the Owen County War Memorial received a sizeable contribution on Wednesday in the form of a \$2,000 donation from members of the Spencer VFW Post #1405 Men's and Ladies Auxiliaries.

The post also donated \$1,000 to the Owen County Community Foundation (OCCF) and \$500 to the Owen County Veterans Services Vehicle Fund. All funds, including the war memorial fund are set up through the OCCF.

Accepting the checks were, standing, left to right: war memorial committee members John Hackworthy and Mary Wheeler, along with OCCF Executive Director Mark Rogers.

The Spencer VFW Post #1405 notes that it is proud to be a part of Owen County's local service organizations, saying they're "Out of uniform, but still in service to veterans, community and country." (Staff Photo)

Utility Regulatory Commission Extends Seven-Digit Dialing In 812 Area Code

On Wednesday, the Indiana Utility Regulatory Commission (IURC) ordered that the permissive dialing period (i.e., seven digit dialing) for the 812 area code overlay remain in effect until otherwise ordered. Previously, the permissive dialing period was scheduled to run through September 5 with mandatory 10-digit dialing beginning September 6.

As a result of the IURC's order, customers can continue using seven-digit dialing when making local calls. Without this change, customers would have been required to use 10-digit dialing when making local calls starting September 6.

Recently, the IURC became aware of concerns regarding the

ability of critical segments of the business community and telecommunications providers to prepare for the switch to mandatory dialing, specifically those serving the medical and law enforcement industry. With safety being the utmost priority, the IURC has reopened the record in this proceeding to assure that public health and safety

concerns are addressed prior to mandatory 10-digit dialing going into effect.

A technical conference to discuss the issues raised in the Commission's Order in cause no. 44233, is scheduled for September 3, 2014 at 9:30 a.m. in room 224 of the PNC Center, 101 West Washington Street, Indianapolis, IN 46204.

PES To Host Open House, Ice Cream Social August 21

Patrickburg Elementary will hold a school-wide open house and ice cream social on Thursday, August 21, from 6:00-7:30 p.m. A fundraiser kick-off will be held on September 5 with times to be announced at a later date.
